EDUCATION

Liberty University

Computational Mathematics, Bachelor of Science

GPA: 3.64 / 4.00 scale

Lynchburg, VA

March 2023

TECHNICAL PROFICIENCIES

- Languages: Python, SQL, HTML/CSS
- Libraries: Pandas, Matplotlib, NumPy, BeautifulSoup, Scikit-Learn, OpenCV, gTTS, Mediapipe
- Tools: MS Excel, Tableau, Git, VS Code, PyCharm, Jupyter Notebook, Desmos, Fusion360

PROFESSIONAL EXPERIENCE

NetApp

Raleigh, NC

Military Fellow/Software Engineer in Test

January 2022 - April 2022

- Developed a script to automate the extraction, cleaning, and analysis of SAS and NVMe shelf log data
- Executed regression testing on 6G and 12G SAS shelves in preparation for maintenance release
- Participated in weekly core team stand-ups

United States Marine Corps

Camp Lejeune, NC

Small Arms Repairman

April 2018 - April 2022

- Managed preventative/corrective maintenance, replacement parts purchasing, monthly serialized inventories, issue and recovery of armory items, and daily accountability of sensitive assets
- Conducted quality control inspections of ~50 service requests weekly, ensuring proper execution of maintenance at an organizational level
- Prepared reports, briefs, letters, discrepancy statements and other documents, using word processing, spreadsheet, or presentation software

Projects

Heart Failure Mortality Prediction

- Trained a model using KNN to accurately classify 92.5% of a heart failure mortalities in the dataset using Scikit-Learn, Matplotlib, and Jupyter Notebook

TV Gesture Control

- Designed a hand-sign recognition system to control Roku TV's using the OpenCV and Mediapipe Python Libraries

ETF Portfolio Insights

- Created a Python script to automate a Tableau dashboard visualizing sector distribution and top holdings data for index fund portfolios

LEADERSHIP AND VOLUNTEER EXPERIENCE

Salvation Army International

Protected Area, Europe

Volunteer

October 2022 - November 2022

- Consulted the head of a Ukrainian refugee home on scalable, cloud solutions for recording intake, outtake, and demographic data of residents
- Wrote a script to automate the scheduling of daily/weekly roles for its residents and staff

Alpha Gamma Omega, Upsilon Chapter

Boone, NC

Vice President/Co-Founder

January 2017 - December 2017

- Directed logistical components of fundraising and recruitment operations
- Assisted in the writing of the chapter bylaws and constitution

ACHIEVEMENTS/AWARDS

- Good Conduct Medal, United States Marine Corps

April 2021
